

## **Key Scripture**

So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

*Ephesians 4:11-13*

## **Main Takeaway**

God is taking part in an important building project! He wants to use this Family of Believers to build you up! God also wants to use YOU to build-up this Family of Believers!

## Week 7: Building Project

### **Start Talking:**

1. What is your favorite team sport?
2. Describe a time when it took teamwork to complete a project.

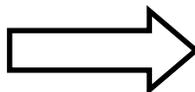

**Start Praying:** Heavenly Father, unless you build it our building is in vain. Thank you for the gift of my family of believers. Help me see them as a key source for building me up and help me see the gifts, experiences, and faith you have given me as a key source of your building project in their lives! May we build each other up until the day we all see you! Amen!

### **Start Studying:**

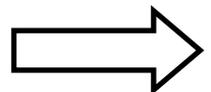

1. Read Psalm 127:1-2: What makes your labor vain? What is God teaching you here?
2. Read Acts 20:32: What specific thing does God use to build up? Why is this important to remember?
3. Read Matthew 7:24-27: There are two specific actions that the wise builder does. What are they? Why are both important?
4. Read Key Scripture: What is this saying that God is equipping you to do? What is the reason why?
5. Read 1 Thess. 5:8-11: The goal in this pandemic can simply be to survive. This reading reminds us that we are called to live! As we live what specific action is God calling us to take part in?

### **Start Applying:**

1. What is God teaching you through this week's theme?
2. For many going to church can be to focus on the question – what can I get. How will this weeks lesson help you focus on – who can I build up?
3. How has God used His Word and others to build your faith in the past? How do these answers encourage you to put this weeks lesson into practice?

### **Finish in Prayer:** Father in Heaven:

It is so exciting to be in your word with others believers to care and share for one another. I know you see great things in me which I do not always see. Give me the knowledge to see what you see in me and then share that with others. Guide us as we part ways and bring us safely back together. Amen.
